Dear Sir or Madam

**APPLICATION FOR GRANT OF PATENT - "QUESTIONNAIRE SOFTWARE
MODULE" - APPLICATION 10/560, 040 (PCT AU04/000290)"**

We act on behalf of Mr David Gillespie, the individual named as the inventor in the subject Application.

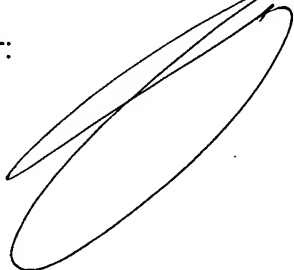

At the time the Application was filed our client was an employee of 80-20 Software Pty Ltd and such Application was made on behalf of that company. Our client understands such Patent Application should list the individuals, Tony Summers and David Tomaselli, as inventors for the purposes of the Patent Application rather than himself.

Our client provides his consent to being removed as an inventor of the subject matter for the purpose of the Patent Application. Please find **attached** Consent executed by our client for this purpose.

Please note our client is no longer an employee of 80-20 Software Pty Ltd. Any additional information required from this company in respect of the patent application should be made direct to that entity.

Yours faithfully
QUINLAN MILLER & TRESTON

CONSENT

1. This Consent is provided with respect to Application 10/560, 040 (PCT AU04/000290) – an Application for a grant of Patent entitled Questionnaire Software Module.
2. The original Application provided that I, David Gillespie, was the original, first and sole inventor of the subject matter for which the Patent was sought.
3. I consent to Mr Tony Summers and Mr David Tomaselli being listed as inventors for the purposes of the Patent Application and I further consent to my removal as an inventor from the Application.
4. The inventorship error of failing to list Tony Summers and David Tomaselli as inventors of the Patent occurred without any deceptive intention on my part.
